

SinhSafe Benchmark

Dataset Annotation Acknowledgements

The development of the rigorously validated SinhSafe benchmark relied heavily on the creation of two distinct datasets, specifically annotated to capture both male and female points of view (POV) regarding online harassment and cyberbullying. We extend our deepest gratitude to the following individuals for their exceptional dedication and meticulous efforts in manually classifying this challenging code-mixed Sinhala-English ("Singlish") corpus.

Female POV Dataset Annotators

- **Uduvita Arachchilage Dineeshi Thilakshika Dassanayaka**
Faculty of Applied Sciences, Sabaragamuwa University of Sri Lanka
- **Prabodhani Buddhimali Ranawaka**
Faculty of Medicine, Wayamba University of Sri Lanka

Male POV Dataset Annotators

- **Priyankarage Dimantha Thilakasiri**
University of Peradeniya
- **G.D.D. Kumaranathunga**
University of Peradeniya
- **R. Priyadarshana**
University of Peradeniya
